

St. George College of Management and Science

M.Sc. - (Bio- Technology)

(As Per the Bangalore University Syllabus)

I Semester

- Cell Biology & Genetics
- Bio Molecules
- General Microbiology
- Biophysics & Biostatistics
- Cell Biology & Genetics (Practical)
- Microbiology (Practical)

II Semester

- Molecular Biology
- Biochemistry
- Immunology
- Computer Applications & Bioinformatics
- Biochemistry (Practical)
- Molecular Biology & Immunology (Practical)

III Semester

- Animal Biotechnology
- Plant Biotechnology
- Genetic Engineering
- Environmental Biotechnology
- Animal & Plant Biotechnology (Practical)
- Environmental Biotechnology & Genetic Engineering (Practical)

IV Semester

- Bioprocess Engineering
- Agricultural Biotechnology
- Immunotechnology
- Bioethics
- Bioprocess Engineering (Practical)
- Agricultural Biotechnology (Practical)
